ARMY BULLETIN NO. 6

28 February 2006

OFFICER BRANCH TRANSFER EDUCATION REQUIREMENTS (J3)

1. Purpose: To provide the officers of the NJARNG with information pertaining to the military education requirements for branch transfer.
2. Background: The NJARNG is in the process of transformation and as such, there will be new units formed, existing units converted and other units deactivated. Officers will have to consider re-branching in order to remain a viable part of the NJARNG. Officers in units that are deactivating or converting will have to consider a new branch and must inform their chain of command what their desires are.
3. The attached information provides the military education requirements, by rank and branch, for officer branches that will be available in the new NJARNG structure. Once the officer's selected branch is approved by the chain of command, he may be enrolled into the appropriate course through ATRRS. Additional requirements for branch transfer by rank are provided in DA Pam 600-3.
4. Upon completion of these requirements, officers must submit their request for branch transfer through command channels for receipt of federal recognition. These officers will have to be boarded by a state federal recognition board run by the Senior Army Advisor, in order to complete the process.
5. POC SGM Marvian or LTC Schechter at (609) 562-0761/0759.
